Beauty Parlor

Now Open for Business

Having engaged Mrs. James Allen, who is a graduate of the E. Burnham School of Beauty Culture and fresh from the Lectures and Clinics of the Moler College of Chicago, we feel that we are in a position to give the ladies of Alma and vicinity the best service in this line of work to be had. We realize that Mrs. Allen's heart is in her work and to convince you of the same we quote her: She says, "If I may help to stay the hand of Father Time or be of assistance in keeping fresh the most cherished assets of womanhood, I will not have lived in vain."

This spirit we think spells success so you are cordially invited to call and inspect our Beauty Shop, get acquainted with Mrs. Allen and incidentally ask questions.

"Courtesy and Service" is our motto and we feel sure that you will find it exemplified here in every particular.

Watch this space each week and we will tell you of the many ways we can be of help to you and of the many things we do.

Our work consists of Fancy Hair Dressing, Shampooing, Skin and Scalp Treatment by massaging and the use of electricity, and Manicuring.

Don't forget the location, upstairs over Davis' Cigar Store, corner of Woodworth Ave. and Superior St.

ERECT TEN HOUSES

The Twin Cities Realty company is contemplating the erection of ten modern homes in Central Heights, on South Court street, early this summer, if the present plans of the company are carried through. With this end in view, the company has asked the city commission to open South Court street, by having the Ann Arbor railroad move the old coal docks.

MUST HAVE LICENSE

Chief of Police Oscar Vibber points out the fact that those desiring to use their automobiles must have their 1920 licenses, as the law demands. He calls attention to the fact that the local officers have no power to grant extension of time to those who have ordered licenses, but have not received them, and a warning is given to every one that automobiles must not be used until the licenses have been procured.

STATE STREET

MEET MT. PLEASANT

High School Quintet Has Hard Battle for Next Week.

The Alma high school basketball team will meet one of its strongest opponents of the present season this coming week, when the Mt. Pleasant high school five is played.

It is not certain as yet whether the game will be played in Mt. Pleasant or in Alma, as there has been some question as to whether or not the Mt. Pleasant five could secure the Normal gymnasium for use on Wednesday evening. If the gymnasium cannot be procured, the game undoubtedly will be transferred and played in Alma.

The locals are determined to hand the Normal Town lads a thumping by way of revenge for the football defeat of last fall. The Alma five also sees a splendid chance to practically cinch the honors of this part of the state by a victory. The game will not be an easy one, it is certain as the Mt. Pleasant quintet has been displaying some rare form, and is confident of its ability to down Mullins cagers. The Alma five is an exceptionally strong one this year, but the same is true of the Mt. Pleasant quintet, and the game will be a battle royal.

MEMORIAL DIPLOMAS

French Government Will Give These to Relatives of Deceased Soldiers.

Word has been received that the French government has decided to award memorial diplomas to the nearest relative of Americans who died in the service of their country in the war, and at its request the American League is co-operating in securing the names of such men.
In Gratiot county the Legion has assigned Lee Sharvar of Alma to this work, and it is requested that the names of such service men with the name of the nearest kin be sent to him at once, as it is desired to distribute these diplomas on Washington's birthday.

The diplomas presented, will represent one of the bas-reliefs of the Arc de Triumphe in Paris and will bear the name of the deceased soldier with a recognition from the French people, signed by the President of the French Republic.

NEW SUIT

Another Suit Started Against Dr. Carney and Miss Peck.

James G. Kress, when interviewed against Dr. T. J. Carney and Miss Ida Peck, as a result of the vice crusade in this vicinity during the war, at which time numerous soldiers were coming here for trucks, Ellen Beam, by her next friend, Edna F. Downer, having started suit by summons. They are seeking \$5,000 dollars damages, the summons sets forth.

James G. Kress, city attorney, was appointed Tuesday evening by the city commission to represent Miss Peck in the case, and it is expected that the attorneys retained by Dr. Carney in the Rock case will also represent him in this one.

James G. Kress, when interviewed yesterday, stated that the declaration in the case had not been filed by the attorneys for the plaintiff in the case, so that little was known in regard to what would be set forth in the suit.
